FARM DOG CERTIFICATION

The Farm Dog Certified test is open to all dogs. The program provides an opportunity for all dogs to apply their basic training in a novel environment, demonstrating their natural capability and trainability to work in partnership with their human companions.

The Farm Dog Certified test is designed to assess the overall conduct of a dog within a typical farm environment. The dog must demonstrate self-control when exposed to livestock and other unique sights, sounds and scents. The dog should exhibit confidence and a willingness to comply with instruction when confronted with a variety of situations.

The Farm Dog Certified test provides a series of 12 exercises that represent situations a farm dog would encounter in a typical farm environment and an overall assessment.

- 1) GREET JUDGE – INITIAL DOG APPRAISAL
- 2) PERFORM A WALKING PATTERN AROUND FARM ENVIRONMENT / PASSIVE STRANGER
- 3) JUMP ON HAY/STRAW BALE
- 4) WALK BY FARM ANIMALS
- 5) WALK OVER OR THROUGH UNUSUAL SURFACES
- 6) SUPERVISED SEPARATION
- 7) PASS THROUGH A GATE
- 8) HANDLER FEEDS LIVESTOCK
- 9) REACTION TO ANOTHER DOG
- 10) REACTION TO NOISE DISTRACTION
- 11) DOG APPROACHES LIVESTOCK
- 12) PHYSICAL EXAMINATION

In addition to passing each element of the test, the Judge shall, at the end of the test, determine if the dog consistently exhibited traits that would distract from being a useful working farm dog. This might include incessant barking, chronic distraction, constant tugging on the leash, timidity, lack of interest, or over exuberance. This would address a situation wherein a dog may meet the minimum requirements for each test element but fail in the spirit of performing as a confident working partner on a farm.
